

Affordable & Supportive Housing

CATHERINE STREET APARTMENTS

Located on Syracuse's Northside, the four-story building is comprised of 50 apartment units; 40 of which are one-bedroom and the remaining 10 are two-bedroom.

The building features amenities such as laundry facilities, common areas with kitchenettes, a lobby seating area and landscaped outdoor areas.

The new building has arch-shaped architectural features to mimic the arched doorways of the largest of the three buildings that were demolished to make way for the new construction. The previous site is known to have been the building where "The Great Gatsby" author F. Scott Fitzgerald briefly lived as a young boy.
