TOWN OF IRONDEQUOIT DPW GARAGE

New construction of a 72,000 square foot Department of Public Works Garage on 10.9 acres of land will eventually house a 70 member staff, 100 vehicles and include energy efficient solar panels. The garage is estimated to be twice as large as the previous garage that was destroyed by fire in 2016.

Project Location:	Rochester, NY
Project Cost:	\$13.5M
Services Provided:	Construction Management
Owner:	Town of Irondequoit
